EXPERIENCE

037 Studios
Freelance Design + Development
02.2023 - Present

Founder of 037 Studios, where I lead project/product management, and design for web development projects. Independently worked as a Production Coordinator for commercial shoots. Clients include SONY Music, The Orchard, Rodeo Production + more.

VMGROUPE
Jr. Visual Designer
10.2022 - 02.2023

Worked at a branding agency in Williamsburg on various marketing projects. Contributed to unique content creation including video editing, website building, and production assistance under the guidance of the Art Directors. Clients include Kiehl's, Ralph Lauren, Stila + more.

The New School
Teacher's Assistant + Visiting Critic
11.2022 - 11.2022

Assisted Anjali Khosla, a full-time faculty member in the Journalism and Design program. Mentored students on Adobe applications and provided design critiques.

Astro.io
Jr. Graphic + UX/UI Designer
06.2021 - 08.2021

First experience working abroad and with a start-up company in Copenhagen. Designed products for the Astro.io application and created social content for marketing platforms.

Todas Design
Junior Designer
06.2020 - 08.2020

Worked closely with the head of design firm on projects. Prepared presentation decks and sourced references and inspiration. Maintained studio organization.
